Celeste Satriano From Italy

I have to confess that after the big excitement of knowing I was coming to the United States I was a little frightened. I did not know with who or where I was going to spend a year of my life, but when I arrived, a feeling of welcome made me feel at "home." In place of the insecurity of the first days I became comfortable in my surroundings, school, family, and community.

Everyone helped me, in big or small things, and all of this contributed to make this past year "my wonderful year in Sleepy Eye." And because of this I have to thank you all within the school and outside, and especially the Guldager family that did so much for me.

I am leaving now, but the United States and Sleepy Eye will always be for me a beautiful memory.

ARRIVEDERCI PER ORA, MI MANCHERETE TUTTI!
(Goodbye for now, I'll miss you all!)
